About Cold Chain Asia

The Cold Chain Asia Expo , organized by Olampia Exhibition Pvt. Ltd., was held from August 9-10-11, at the Labhganga Exhibition Center in Indore, Madhya Pradesh. This premier event brought together industry leaders, innovators, and professionals from the cold chain, warehousing, logistics, and supply chain management sectors. The expo provided a comprehensive platform for participants to explore the latest advancements in refrigeration, temperature-controlled logistics, and cold supply chain systems. With a focus on innovation, sustainability, and economic growth, the event facilitated knowledge exchange, networking, and business development opportunities, underscoring the critical role of the cold chain in supporting global food security and economic development.
